CONFERENCES
• Process Management
• Formal Methods and techniques
• E-Business in CE
• Network Security
• Multimedia Building Blocks
• Internet Viewers and Programs
• Simulation in Business Games
• Simulation in Nanotechnology
• Intelligent Transport Systems
• Verification, Validation and Accreditation
• Simulation in Electronics, Computers and Telecom
• Modelling Methodology
• Development and use of Model Simulation
• Systems Engineering and System Dynamics
• Availability
• Testing and Acceptance
• Configurability and Reconfigurability
• Cybernetics and Control
• Design and Simulation of Simulation Tools
• Simulation of the service sector
• Simulation of the food sector
• Simulation in Energy and Power Systems
• Simulation Standards, Future of Simulation Software, What’s Virtually Possible, Real-time tools, cross checking, requirements specification, knowledge based systems, application, result presentation, subject matter expert (SME) selection, formal model limited to those given below.

The Conference Organizing Committee

Institute for Biotechnology and Bioprocessing, University of Utrecht, the Netherlands. Robert van de Luijp, Chair, Friesland Coberco Dairy Foods, the Netherlands. Rudy de Wit, Co-Chair, Friesland Coberco Dairy Foods, the Netherlands. Ir. Rudy de Wit, Co-Chair, Friesland Coberco Dairy Foods, the Netherlands. Prof. dr. Solke Bruin, Chair, ECEC’2004 Conference, the Netherlands. Dr. Anton Sweere, Chair, ECEC’2004 Conference, the Netherlands. Dr. Julio Banga, Chair, ECEC’2004 Conference, the Netherlands. Dr. Leon Rothkrantz, Chair, ECEC’2004 Conference, the Netherlands. Ph.D. Ir. Rudy de Wit, Chair, ECEC’2004 Conference, the Netherlands. The Conference Organizing Committee regrets that the final program is not yet available. The preliminary program is available at www.Eurosis.org. This Conference is supported by the European Community and the Networking Environment for European Researchers and Scientists (EURYIINS) and the Department of Informatics of the University of Malaga, Spain. The Conference Organizing Committee is also grateful to the European Commission for their support.

EUROSIS is the organizer of ECEC’2004 Conference. The conference program is available at www.Eurosis.org. This Conference is supported by the European Community and the Networking Environment for European Researchers and Scientists (EURYIINS) and the Department of Informatics of the University of Malaga, Spain. The Conference Organizing Committee is also grateful to the European Commission for their support.

FEB 10

CONFERENCE AIM
The registration also includes a one-year membership to EUROSIS.

CONFERENCE TOPICS

ACCOMMODATION

• Accommodation in Hasselt and nearby cities.
• A selection of hotels in Hasselt in the vicinity of Huize Corsewaren.
• All other:
  • Hotels in Hasselt
  • Hotels in Belgium
  • Hotels in cities in the vicinity of Hasselt

CONFERENCE PRICES

All conferences and workshops are open for participation. More information can be found on the conference websites.
