Standard and Ontologies Perspectives in Building and Planning Learning Future Giorgio Valle and Raffaella Folgieri.....	23
SCORM as the Standard for E-Learning Framework Mieczyslaw L. Owoc and Krzysztof Hauke.....	27

BLENDED LEARNING

Blended Learning within a University Context an Evaluation and Comparison of a Module in Online Mode and Traditional Mode Adriana Gnudi, Agostino Lorenzi and Lucia Malvisi	33
Tele-Education and Blended Learning in complex Networks of Competence Christian-Andreas Schumann, Kay Grebenstein and Jana Weber	40

E-LEARNING TOOLS

Improvement of an e-learning platform through the analysis of usage patterns Roberto Cappuccio, Francesca Di Bono, Alberto Sillitti and Giancarlo Succi.....	47
An Introductory Study on Development of a Syllabus Generator Zeynel Cebeci and Fuat Budak.....	52

CONTENTS

Knowledge in Distance Learning System Malgorzata Nycz and Barbara Smok.....	55
---	----

TELECOMMUNICATION APPLICATIONS

MPEG-21 Session Mobility for Heterogeneous Devices Frederik De Keukelaere, Davy De Schrijver, Saar De Zutter and Rik Van de Walle....	61
---	----

Modeling JINI UpnP Bridge using Rapide ADL Ahmed Sameh and Rehab El-Kharboutly	68
--	----

Sleeping in Java Gunther Stuer, Kurt Vanmechelen, Jan Broeckhove and Tom Dhaene	74
---	----

TELECOMMUNICATION SECURITY AND PRIVACY

E-Learning as a Tool: Framework for building an Information Security Awareness Programme for a local Teleoperator Jorma Kajava and Rauno Varonen	81
--	----

e-learning and Information Security. Evolutionary versus Revolutionary Approach Jorma Kajava and Rauno Varonen	86
--	----

A Conceptual Framework for Monitoring Insider Misuse Aung Htike Phyo and Steven Furnell.....	90
--	----

Challenge-Response Paradigm in Electronic Mail Pawel Gburzynski.....	96
--	----

Securing Client Server Communications of an Internet Auction Service Alessandro Amoroso and Massimo Nanni	102
---	-----

A Multimodal Workbench for Automatic Surveillance Dragos Datcu and L.J.M. Rothkrantz.....	108
---	-----

ANIMATION TECHNIQUES

FED – an online Facial Expression Dictionary E.J. de Jongh and L.J.M. Rothkrantz.....	115
---	-----

Incremental Rules for Growing Plants Andrew Davison.....	120
--	-----

MEDICAL APPLICATIONS

Usability of Therapist's User Interface in Virtual Reality Exposure Therapy for Fear of Flying

Lucy T. Gunawan, Charles van der Mast, Mark A. Neerincx, Paul Emmelkamp
and Merel Krijn 125

Patient Consent Advisory System

Titus Karweni, Steven M Furnell and Nick Gaunt..... 133
