

ONLINE INSTRUCTIONS

Zoom platform will be used for the online attendees.

Every session of the day has a link associated with it; the meeting can be joined by clicking it. If the link does not work, the meeting can be joined by using the corresponding MeetingID and Passcode mentioned.

The link is the same for attendees of both FoodSim and Sci-Fi-IT conferences. Once logged in to the meeting, the attendees can choose to join a break-out room associated with their conference (FoodSim and SciFi-IT). For the combined keynote talks, break-out rooms are not created.
